

Rare and Undiagnosed Conditions – supporting newborns and their families

Saturday 22nd May 2021

Was your baby born in the last year with a rare or undiagnosed condition?

Feeling overwhelmed or lost? You are not alone.

Why not join the Office for Rare Condition's free online event where you can meet others and listen to the experiences of parents who have faced a similar situation.

Plus - Learn about some of the support services that are there to help your baby and you and your family.
